This figure shows a large, empty rectangular workspace for a PCB layout. The workspace is defined by a thin black border and is divided into a grid of 6 columns and 4 rows by faint gray lines. The columns are labeled 1 through 6 at the top, and the rows are labeled A through D on the left side. The background of the workspace is a light gray color. In the bottom right corner, there is a white rectangular area containing text and a table.
